- **Deltares session at WWF Dakar:** ‘New perspectives on droughts in a time of climate change’
  - Day: Tuesday 22 March, 2022
  - Starting time: 10:45 AM (Dakar Time)
  - Finishing time: 12:15 PM (Dakar Time)
  - Room: Auditorium CICAD

During the session the HELP report on ‘Guiding Principles for Drought Risk Management under a Changing Climate - Catalysing actions for climate-resilient drought’ will be presented. This report was prepared by joint collaborative action from international experts, coordinated by a core team consisting of experts from AGWA and Deltares. This report benefitted greatly by the contributions from UNESCO, WMO-IDMP, GWP, Umweltbundesamt, and many others.
