

IDM Framework Document

IDMP Framework Document Outline 1

- **Introduction**
 - **Drought Definitions and Characteristics**
 - **Drought and climate variability and climate change**
 - **Human costs, Social and Economic impacts of droughts**
 - **Transition from past emergency response to future proactive preparedness**

- **The Concept of Integrated Drought Management**
 - **Droughts and development issues**
 - **Defining Integrated Drought Management**
 - **Managing Risks and Uncertainty**
 - **Adopt an appropriate/best mix of strategies**
 - **Ensure a participatory approach**
 - **Intersectoral aspects**

IDMP Framework Document Outline 2

- **Integrated Drought Management: Moving from Concepts to Practice at the Global, Regional, National and Local Levels**
 - **Integrated Drought Management Policies, Plans and Strategies**
 - **Institutional Structure through Appropriate Linkage**
 - **Community Based Institutions**
 - **Elements of Integrated Drought Management**
 - **Adaptive Management in Practice**
 - **Communication, Education and Information Management**
 - **Appropriate Economic Instruments**
- **Summary**
- **Further Reading**
- **References**

Five Main Elements of Drought Risk Reduction Framework

- Policy and governance
- Drought risk identification, impact assessment, and early warning, which includes hazard monitoring and analysis, vulnerability and capability analysis, assessments of possible impacts, and the development of early warning and communication systems.
- Drought awareness and knowledge management
- Reducing underlying factors such as changing social, economic and environmental conditions, land use, weather, water, climate variability and climate change.
- Strengthening preparedness for drought to move from policies to practices in order to reduce the potential negative effects of drought.

IDMP Framework Document

- Contractor (Ray Motha) hired in Dec 2014 (GWP) – Aug 2015 (WMO)
- Three drafts developed
- Will be send for review in September
- **First Deadline of Comments - 15 November 2015**
- 2nd Revision in Dec 2015/Jan 2016
- **Second Deadline of Comments – 28 February 2016**
